## GUIDE ON CARING FOR JUNIOR MEMBERS

This guide is for use of club officials and the parents/legal guardians of junior members.

1. A Junior Member is defined as being under 18 years of age.
2. A responsible adult is defined as a parent/guardian who has the experience commensurate with the type and degree of supervision required.
3. Junior members must be supervised at all times by a responsible adult. The level of supervision is to be commensurate with the junior member's age, maturity, capabilities and levels of experience.
4. Junior members under the age of 14 years shall not start an engine or carry a model with the engine running unless they are supervised by a responsible adult.
5. No junior member under the age of 14 years shall fly a model aircraft unless supervised by a responsible adult or the junior member holds the minimum of a BMFA Achievement Scheme "A" certificate and has been authorised to do so by the Club Committee.
6. No senior member is to be expected to assume responsibility for a junior member.
7. Notwithstanding the requirements of Paragraph 6, should a member discover a junior member is unsupervised he/she must assume responsibility for the junior member's safety in the first instance. The situation should then be rectified as soon as possible by seeking out the junior member's parent/guardian. Any instance of such an occurrence is to be reported to the Committee as soon as possible.
8. Instructors should be aware of the requirements of The Children Act (1989) and avoid placing themselves in a position that could be open to misinterpretation or question. A leaflet giving advice is available from the BMFA Leicester Office.

### **Note to parents and guardians:**

This Club does not undertake to supervise junior members other than for the actual act of model aircraft flying and associated pre-flight and post-flight procedures, unless specifically arranged. Our activities at the flying site do not finish at a regular time and it is therefore your responsibility to ensure the wellbeing of your child and juniors must be accompanied by you at the flying site at all times.

In addition, this Club has specific rules relating to junior members and you are required to study them carefully. (stated above).

Juniors applying for membership must have a paper-based form countersigned by the parent/guardian if the applicant is under 18 years of age, thereby signifying you accept the conditions of junior membership.
